Are those that de not fluctuate during disturbed Are those that de not fluctuate during disturbed conditions of the movey or stock markets. First deed of trust notes (first mortgages), well secured on real estate in the District of Columbia, constitute "gilt-edge" investments. They do not depend upon the financial responsibility of individuals or corporations for their stability, and are exempt from taxation as personal property. We can supply such investments in amounts from \$500 upward. Send for booklet, "Concerning Loans and Investments."
